Development Charges charged by Greater Noida Authority

1405. SHRI MOHD. KHALEELUR RAHMAN : Will the Minister of URBAN DEVELOPMENT be pleased to state :

(a) whether some registered cooperative housing societies have approached Greater Noida Authority to reduce the development charges;

(b) if so, what is the reaction of the GNA to these proposals;

(c) whether the Greater Noida Authority is providing any concession to registered cooperative housing societies in allocation of land and fixation of developmental charges;

(d) whether the GNA is intending to offer land to builders and private colonisers at the same rates or different rates; and

(e) what is Government's policy in regard to allocation of land to registered cooperative housing societies in Greater Noida Authority area ?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI P.K. THUNGON) : According to information furnished by Greater Noida Authority the position is as follows :

(a) Yes.

(b) The suggestions were considered and payment plan was suitably liberalised to reduce the burden of the development charges.

(c) Cooperative societies have been given priority in the allocation of land under the group housing scheme in the earmarked residential sector according to the GNA development plan.

(d) There is no plan for offering land to private builders at present.

(e) The State housing policy regarding allocation of land to cooperative societies is as follows :

(i) The role of cooperative housing societies has been made more clear and effective.

(ii) For 60 members of the cooperative society one acre of land will be allotted but no society will be allotted more than 4 acres of land.

(iii) The land given to the society will be on lease basis. For the first ten years the lease will be in favour of the society and after that period automatically it will be transferred in favour of the members.

(iv) The internal development will be the responsibility of the society and it will be completed within 3 years. To ensure that the society does this work properly the society will deposit 50% amount of the cost of internal development in the form of bank guarantee and if the work is not done properly the Authority will encash this guarantee and will have the right to do the internal development work itself.

(v) The external development of the land given to the society will be executed by the Authority so that sewer, approach road and all the civic amenities can be arranged.

(vi) Only those cooperative societies who are recognised and approved by the U.P. Housing Board will be eligible for allotment of land.
